

MILWAUKEE INSTITUTE OF ART & DESIGN

Pre-College and Continuing Education

Supply List

PLEASE NOTE: Classes are held contingent on a minimum enrollment, which is determined five business days prior to the class start date. While it is uncommon, a class may be cancelled due to low enrollment. Therefore, we recommend that you do not open or use your materials until at least two days prior to your class start date. This will allow you to return your merchandise if the class is cancelled. Students will be contacted during the week before class only if a class is cancelled.
