

MILWAUKEE INSTITUTE OF ART & DESIGN

Pre-College and Continuing Education

Supply List

PLEASE NOTE: Classes are held contingent on a minimum enrollment, which is determined five business days prior to the class start date. While it is uncommon, a class may be cancelled due to low enrollment. Therefore, we recommend that you do not open or use your materials until at least two days prior to your class start date. This will allow you to return your merchandise if the class is cancelled. Students will be contacted during the week before class only if a class is cancelled.

Course Name: **Papermaking Workshop**

Instructor's Name: Leslie Fedorchuk & Courtney Parbs

IN GENERAL

All the materials needed for this class (pulp / molds & deckles, etc.) will be provided.

Embedding Materials

If you are interested in embedding things in your paper (flower petals, thread, etc etc.) You will be responsible for providing those. If you are unsure what this means, we will talk about this process on day one – and you will have a chance to practice it on day two.

MOST IMPORTANT:

Papermaking is a very clean – but very wet process. If you get pulp on your clothes or arms, it is washed away easily.

- Wear clothing that can get wet. Bring an apron if you like (this will likely get wet as well).
- Wear shoes that have closed toes – they may get wet as well (Crocs or not your best tennis shoes) work well.
- Hair should be tied back and leave the jewelry at home!

We will be breaking for lunch both days. Pack a lunch or bring \$ to contribute to pizza or subs that we will order in the morning.

Unless specified, most class supplies may be purchased at Blick Art Materials.

**Blick is located across the street from MIAD,
242 E. Menomonee St. Milwaukee, WI 53202.**
